## The Boston Classical Guitar Society

The BCGS was founded in 1977 and since that time has been dedicated to bringing the beauty of the classical guitar to communities in and around the Boston area. Each season BCGS sponsors a splendid array of concerts featuring guitarists from all over the world. These guitarists range from promising young artists just beginning their careers to internationally-acclaimed musicians.

The BCGS is a charitable trust and is run exclusively by volunteers. Member benefits include discounts to BCGS-sponsored events, as well as to concerts presented by other performing arts organizations such as Boston Celebrity Series. Members also receive an informative quarterly newsletter with a comprehensive calendar of guitar-related events around New England. In addition, BCGS hosts guitar playing gatherings, which provide amateurs the opportunity to gain performance experience in a supportive environment.
